Work Smarter.
Choose SubItUp for One-Click Scheduling.

subitup

SubItUp allows managers to automate the entire schedule-building process—creating conflict-free schedules for the whole semester in one click, gathering availability, and ensuring fair shift distribution while respecting hourly limits. Social Scheduling™ also empowers student employees to swap and claim open shifts themselves, without adding extra work for managers.

Take a look at how SubItUp stacks up against your current scheduling tool. 👇

	SubItUp	When I Work	WhenToWork	Excel (Manual)
Student self-self service (shift swaps & open shifts)	✅	✅	✅	❌
Reporting & payroll integration	✅	✅	⚠️	❌
Automated scheduling (one-click/auto-fill)	✅	⚠️	⚠️	❌
Role based permissions & multi-team management	✅	✅	❌	❌
Integrated time clock	✅	✅	❌	❌
Conflict management & cross department scheduling	✅	⚠️	⚠️	❌
Work study, events, & certification management	✅	❌	❌	❌
Onboarding, live training, & customer support	✅	⚠️	❌	❌
ADA/WCAG accessibility & compliance	✅	⚠️	❌	⚠️
